

Kittens Group

Homework: Answer the questions from the sentence, match pictures of actions with item needed, match picture to words

Spelling Packet Week 22

Math pages 277-280, 285-286

Evan- math packet

Literacy class-Students will continue reading *Everyone is Special and Unique* by Regina G. Burch. Last week we worked on answering questions and didn't have a chance to focus on retelling so we will do that this week. This week, they are writing a thank you letter to Farmer Dallas for letting us take care of the chicks. They will also work on identifying which linking verb to use (was, were, am, is, are)

Math class- This week, we will wrap up the money unit. We will focus on making change this week and counting money up to one dollar. Evan will be working on calendar topics and estimating time.

Social Studies class- This week, we will make diaramas about different places they can go camping and what they will need in terms of food, sheltering, and clothing.
