

Kittens Group

Homework:

Math- addition/subtraction worksheets

Evan- review pages (they say TEST on them)

Literacy class- This week, we will be wrapping up everything they have learned throughout the year by doing activities and games in class. There will be no homework this week.

Math class- They are reviewing addition and subtraction facts up to 12 and 18 this week. We will do different games and activities to work on their ability to answer addition facts quickly.

Science class- This week, will be working with solids and liquids in water to see how their properties change or stay the same.
