

Week of Oct. 26-30

This certainly was a crazy week! It started off with an assembly to kick off Spirit Week- many of us were dressed up and were looking forward to all the costumes all week. On Tuesday Katy and Kelly both left to do an observation at a public school, so Nicole talked to us about Halloween Safety. Wednesday and Thursday we got to stay home because of all the snow! Friday was Halloween activity day- we had a school-wide parade where we recieved candy from the different classrooms, we did many activities in class related to Halloween, too! We made Halloween mobiles, explored feel boxes where we touched different spooky items, and ate Halloween snacks! We had a great time!

Happy Halloween, everyone!

Making Halloween mobiles!

Week of Oct 19-23

This week was a little crazy due to a bunch of events Katy and Kelly had planned! Nicole taught us about saying NO to drugs and we did a few activities with her. Then on Wednesday, Katy brought in 2 pumpkins and we carved pictures in them and cooked the seeds for snack! We had a great time touching the yucky pumpkin pulp! :) On Thursday, the ECE and Elementary departments took a field trip to Miller Farms, where we filled bags of potatoes, carrots, and corn; played on their giant bouncing balloon; and collected a pumpkin to take home. We were all exhausted by the time we were driving back to school!

Next week is School Spirit Week- don't forget to send your child to school dressed up! On Friday we will have a parade and show off our costumes!

Monday: ugly shirt/tie Tuesday: Senior Citizens Wednesday: crazy hats

Thursday: sports team spirit Friday: Halloween costume

Week of Oct. 12-16

As we all came back from our illnesses, we settled into a busy week. On Tuesday, Nicole came to talk to us about teasing and how to respond to it. On Wednesday was school picture day and everyone came to class dressed up ready to say "cheese!" Thursday, we were all very excited to have some down time and celebrate. Katy and Kelly provided an ice cream party as a reward for good behavior in class. We had to collect 30 class stickers before we could celebrate. We all voted and next time we hit 30 stickers we will receive a movie and popcorn party! Keep checking in with us to find out when that happens!

Next week is our field trip to Miller Farms to collect pumpkins- don't forget to turn in permission slips!

Oct. 26-30- Spirit Week!

Week of Oct. 5-9

We had a pretty rough week, health-wise. Most of us were out of school for a few days or even the whole week! So, on Tuesday, Nicole came in to talk to us about ways to keep ourselves and our classroom clean and healthy!

We started a unit on "Fall" items, including learning about apples. The Guppies group got to taste different kinds of apples! We also learned about some birds of prey during our Friday assembly. We met some hawks and eagles that the staff of HawkQuest, a wild bird rescue center, brought to our school!
