

Guppies Group

Homework: Vocab- letter T packet, vocab fingerspelling

Math- cut out the numbers and glue them in correct order. (if you don't have glue I will send home with your child tomorrow)

Literacy class- This week we are learning about turtles! We will be doing some activities related to the book "Tell Me About Turtles" and also about how things and animals move. Our letter of the week is T.

Math class- We worked on identifying coins up to quarter. They are also working on counting (both writing and counting) numbers up to 30.

Social Studies class- We are learning about what families want compared to what families need to live. (clothing, food, and shelter)
