

Guppies Group

Homework: Vocab- Letter T packet, vocab identification
Math- counting pennies and nickels.

Literacy class- The letter of the week is T. We are starting to read a book called “The Ghost” and will do some activities related to the book. We will also do some Valentine’s Day activities.

Math class- This week, we will start to identify the coins and count them using only pennies and nickels.

Science class- We will be continuing to learn about plants. We will be planting some grasses and recording information about them.
