

## Guppies Group

**Homework:** Reading- worksheets

Math- Review of addition facts up to 10 worksheet.

**Literacy class-** We will be finishing our unit on the book “Cat in the Hat” and wrapping up our Writer’s Workshop. We will do some fun activities related to summertime and our field trips.

**Math class-** This week, we will be reviewing addition up to ten in preparation for next year’s math.

**Science class-** This week, we will be working with solids and liquids in water to see how their properties change or stay the same.
