

Guppies Group

Homework: Vocab- vocab identification, worksheets

Math- Look online or on the news and record the temperature for Tuesday, Wednesday, and Thursday, and then draw a picture of what appropriate clothing to wear is.

Literacy class- We will be continuing to read from the book “Cat in the Hat” and work on vocabulary related to the book. We will also be talking about Track and Field Day and Cinco de Mayo.

Math class- We are finishing up our measurement unit with temperatures this week. They will have a quiz at the end of the week. Evan will be taking his Unit 6 quiz on Wednesday and continue to learn about fractions this week.

Science class- This week, they will be learning about different family traditions. They will learn how each family celebrates different holidays differently.
