Letter From the Director

Happy November!

Thanks to all of you who showed your support of our school by joining us for the Fall Festival. The middle school/high school students also appreciated your show of support for the Student Body Government by entering the first annual Haunted House.

It's hard to believe that it is almost time for Thanksgiving.

The first semester has been packed full of great learning opportunities for our students as well as a variety of afterschool academic support and extracurricular activities.

We are now in the volleyball season. We hope to see you out there cheering on our team!

GO Mountain Lions!

Our BEST Grant project has been approved to be included in the financing packet for the state. Although we do not yet have a full resolution to the property, we will have additional time to ensure that we can get resolution and begin the design and build of our new school.

Enjoy the holiday!
Nancy

How Do I Know If School Has Been Cancelled or Delayed?

1. Watch television channels 4, 9, or 13 for up-to-date information regarding school closure. Rocky Mountain Deaf School will be listed on the captions.
2. Check our website for information regarding school closure.

***Even if we are open, evaluate your decision to bring your child to school based on the road conditions near your house, temperature, etc. Our highest priority is for you to be safe!**

We have three additional days built into our calendar, so that we would not have to make up days for closing due to weather. If we have more than 3 snow days, then we may need to revise our original calendar.

Early Years Program

The Early Years Program provides a place for families to come together to build relationships with other families, adults who are Deaf / Hard of Hearing, and professionals. The Early Years Parent Group provides support to families and creates networking opportunities within their community.
